Case No. 01-1139

OCT 17 2008

Wilmington, Delaware 19801

October 10, 2008

Dear Mr. Klauder & Clerk,

I am not exactly sure how to do this, but maybe this is right. I have 'No' way to get copies, so I have handwritten these the best way I could.

Please find enclosed a copy of Proof-of-Claim form for W.R. Grace & Co. Bankruptcy; No. 01-1139 that I have filed with Rust Consulting, Inc., I want to make sure our forms with Attachments are filed before 'DEADLINE'.

Also, I have ask several Law Firms to send me Proof-Of-Claims forms for any and (all) Asbestos Companies & Asbestos Trusts that they represent, so far I (we) are being Ignored; Why? Can you correct this problem Sir? Thank you and GOD BLESS...

Respectfully & Sincerely,

for Deacons of Rock Georgia

The Seniors in North Georgia wish to have the 'RECORDS' show that 100% and 100% of Seniors [and their Families] can not read, can not write, have 'NO ONE' to help them at this time due to the above Representative is presently Incarcerated at Bostick State Prison.

There are even 100% and 100% of Seniors in North Georgia who due to being Misdiagnosed with COPD; Asthma, Bronchitis & Lung troubles and Chronic Breathing problems do not know that their Claims have to be filed before October 31st, 2008, against N.R. Grace & Company [Plus, since they have been Misdiagnosed, they don't know that they need to file their Asbestos Claims against the Asbestos Trusts, Asbestos Companies and Others.]

At this time The Seniors % Ernest Joe [(JAY-CEE) Missionary For Jesus Christ] Crosby Senior,
Copy2of4 pg 2 of 5

Request (cont'd)

ask for and REQUEST that The Bankruptcy Court, Trustee, and Rust Consulting, Inc. & W.R Grace & Company make arrangement to keep 'OPEN and ACTIVE' until 2024 or beyond any Senior Citizen or their family members cases to file against W.R Grace & Company and their Associates and Insurance Companies' policies.

Therefore 'VOIDED' any 'BARRING' of Any & All Seniors and their families' claims who now have or will know and be properly Diagnosed with - 'Asbestos Damage' caused by W.R Grace & Company & their Associates between today and the year 2024 or beyond: To JAY-CEE Missionary For Jesus Christ who is requesting, asking and praying for this Federal Bankruptcy Court and Bankruptcy Trustee to oversee the 100's and 100's of out standing cases which have either been Misdiagnosed or 'NEVER' properly 'Diagnosed'.

Ernest Joe (Jay-Cee) Crosby Senior shows that these cases must be allowed proper and correct diagnosis and could have been properly done in North Georgia and Alabama (North Part) by W.R Grace & Company and their Insurance Companies many years ago, due to they could have [made] taken the time in 'AREAS' they and the 62 entities listed knew that their products were used. But Copy 2 of 4 did not attempt to correct the 'DANGER'!

Request (cont'd)

Seniors Of North Georgia by way of JAY-CEE Missionary For Jesus Christ [½ Ernest Joe (Jay-CEE) Crosby Senior] hereby file their PROOF-OF-CLAIM form; so the Deadline will not run out, [or/and] their claims not be "BARRED" and that they will be given "Unlimited" time up to 2024 or beyond to get proper diagnosis and file each Individuals part of their claim against W.R. Grace & Company; [Plus Asbestos Claims] and its Insurance Companies, Associates and their Affiliates: Especially, claims under Alabama Wrongful Death Statute and "CRIMINAL NEGLIGENCE Homicide" Statutes and Laws of Alabama and Georgia

NOTE: Seniors Of North Georgia hereby request to be provided fair, equitable, proper & substantially similar treatment and given every chance possible to file for themselves and their family members-their part of this claim between TODAY and THE YEAR 2024 or beyond once properly diagnosed. Especially since it takes around 40 years in some people for Asbestos damage to show and be PROPERLY DIAGNOSED.
